For large public libraries, the development of digital technologies poses challenges that have yet to be fully explored. While library sector rhetoric rightly imagines that digital technologies bring change to all aspects of library operations, it is not enough to focus on the technologies.

Analysing the challenges for large public libraries in the

1.. Introduction Emotional intelligence (EI) is an emerging topic for psychological, educational, and management researchers and consultants (see, e.g., Shapiro, 1997, Weisinger, 1998). Many organizations have sent their employees to various EI training courses offered by management consultants.
