Role, title, or function. Executive (government), branch of government that has authority and responsibility for the administration of state bureaucracy Executive, a senior management role in an organization . Chief executive officer (CEO), one of the highest-ranking corporate officers (executives) or administrators; Executive director, the senior manager of an organization, company, or ...

### **Executive - Wikipedia**

An executive officer (CCE) is generally a person responsible for running an organization, although the exact nature of the role varies depending on the organization. In many militaries, an executive officer, or "XO," is the second-in-command, reporting to the commanding officer. The XO is typically responsible for the management of day-to-day activities, freeing the commander to concentrate on ...
