Tourism is travel for pleasure or business; also the theory and practice of touring, the business of attracting, accommodating, and entertaining tourists, and the business of operating tours. Tourism may be international, or within the traveller's country. The World Tourism Organization defines tourism more generally, in terms which go "beyond the common perception of tourism as being limited ...

The results of the Urban Mobility Index 3.0 show that the average score of the 100 cities surveyed was 42.3 out of a possible 100 points. This means that, worldwide, the average city has unleashed less than half of the potential of its urban mobility system, a state of affairs that could be remedied by applying best practices across all its operations.
