

geniocracy government of the pdf

Forms of government are sets of constitutional institutions by which states are organized.. Subcategories. This category has the following 19 subcategories, out of 19 total.

Category:Forms of government - Wikipedia

A central government is the government that holds absolute supremacy over a unitary state. Its equivalent in a federation is the federal government, which may have distinct powers at various levels authorized or delegated to it by its federated states, though the adjective 'central' is sometimes also used to describe it.. The structure of central governments vary.
