Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for Kâ€12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine ...

Education in the United States - Wikipedia

4.5 The student will investigate and understand how plants and animals, including humans, in an ecosystem interact with one another and with the nonliving components in the ecosystem.

Fourth Grade Science - Suffolk City Public Schools

Course materials, exam information, and professional development opportunities for AP teachers and coordinators.
