Criminological Schools of thought. In the mid-18th century, criminology arose as social philosophers gave thought to crime and concepts of law. Over time, several schools of thought have developed. There were three main schools of thought in early criminological theory spanning the period from the mid-18th century to the mid-twentieth century: Classical, Positivist, and Chicago.

Cultural criminology is a theoretical, methodological, and interventionist approach to the study of crime that seeks to understand crime in the context of its culture. It views both crime and the agencies of control [clarification needed] as cultural products. Cultural criminology seeks to highlight how power affects constructions of crime, such as laws created, laws broken, and the interplay ...
