it is in other Western countries. A mal-functioning justice system (with 20% of cases still outstanding 10 years after filing) and ill-defined property rights (astonishingly Greece did not have a fully functioning land registry until a few years ago) have only added to the development woes of the country.

What is Youth Justice?: Reflections on the 1968 Act 10 11 We hear much made of Scotland's youth justice success story nowadays, with the reductions in crime, particularly violent crime, held up as a model of good practice in other jurisdictions (Marshall, 2018). There certainly is much to be proud of over the past 50 years.
