12 Rules for Life is a collection of life principles that, if followed, are meant to improve your life. It reached the #1 spot on Amazon's bestsellers list, and clearly it resonates with a lot of people. Its author (Jordan Peterson, a clinical psychologist and U Toronto professor) argues that modern secularism and reliance on science has left a void in answers to important existential ...

In clothing, clothing size refers to the label sizes used for garments sold off-the-shelf. There are a large number of standard sizing systems around the world for various garments, such as dresses, tops, skirts, and trousers. Made-to-order garments require measurements to be taken, but these do not need to be converted into national standard form.
