NESARA is the covert National Economic Security and Reformation Act (March/October 2000). Notice that the S stands for Security; not for Stability. (S for Stability is a Bait-and-Switch mirror fraud; so is GESARA. More background here). NESARA is an American legal initiative with radical and benevolent global consequences.

In the event of a serious disagreement with China, say over resources in the middle east, monetary policy or trade agreements, the first shots to be fired may not involve ICBM's. They may focus directly on the computer systems like those that make commerce and the American way of life possible. The target will be the

This is a discussion of the various abuses of power which have been exhibited by the US government, often under the guise of 'fighting terrorism' or some other popular goal. Includes news articles about the abuse of power and the perpetuation of government agencies which have too much power, too little restraint, and too many bad ideas.
