seeing energy fields. I am often asked about seeing energy fields around the human body and the most common questions are... What do you see? How do you see? Do you see coloured auras? Can you teach me? Seeing the energy field of any human being is the equivalent of interpreting their holographic blueprint or biofield.

The visual cortex of the brain is a part of the cerebral cortex that processes visual information. It is located in the occipital lobe. Visual nerves run straight from the eye to the primary visual cortex to the Visual Association cortex. Visual information coming from the eye goes through the lateral geniculate nucleus in the thalamus and then reaches the visual cortex.
