Sketch comedy comprises a series of short comedy scenes or vignettes, called "sketches", commonly between one and ten minutes long. Such sketches are performed by a group of comic actors or comedians, either on stage or through an audio or visual medium such as radio and television. Often sketches are first improvised by the actors and written down based on the outcome of these improv sessions ...

The "Four Yorkshiremen" sketch is a comedy sketch that parodies nostalgic conversations about humble beginnings or difficult childhoods. It features four men from Yorkshire who reminisce about their upbringing. As the conversation progresses they try to outdo one another, and their accounts of deprived childhoods become increasingly absurd.

In response to many who have suggested in my blog Sketch VS Photoshop that Fireworks is a great alternative to Sketch, I decided to download it again after many years.. First Impressions. In the first few minutes after using the UI, I can tell why everyone has been saying that Adobe neglected this product.
