

social responsibility of business pdf

Social responsibility is an ethical framework and suggests that an entity, be it an organization or individual, has an obligation to act for the benefit of society at large [citation needed]. Social responsibility is a duty every individual has to perform so as to maintain a balance between the economy and the ecosystems.

As a financial institution, we take our role as stewards of sensitive information very seriously. We believe that sound corporate governance, risk mitigation and security practices are vital to operating as an ethical and socially responsible business.

Social Responsibility | About Us | Commerce Bank

Abstract. Companies have believed for years that their only responsibility was a financial one---maximizing value for shareholders. Corporate social responsibility (CSR) is a new idea, one in which the corporate sector incorporates social and environmental concerns in its strategies and plays a more responsible role in the world.
