Social science is a category of academic disciplines, concerned with society and the relationships among individuals within a society. Social science as a whole has many branches. These social sciences include, but are not limited to: anthropology, archaeology, communication studies, economics, history, human geography, jurisprudence, linguistics, political science, psychology, public health ...

Social science - Wikipedia

Civics or civic education is the study of the theoretical, political and practical aspects of citizenship, as well as its rights and duties. It includes the study of civil law and civil code, and the study of government with attention to the role of citizensâ€™as opposed to external factorsâ€™in the operation and oversight of government.
