Social science is a category of academic disciplines, concerned with society and the relationships among individuals within a society. Social science as a whole has many branches. These social sciences include, but are not limited to: anthropology, archaeology, communication studies, economics, history, human geography, jurisprudence, linguistics, political science, psychology, public health ...

Social science - Wikipedia

Globalization of the economy, the explosion of population growth, technological changes and international competition compels the student to understand, both personally and globally, production, distribution, and consumption of goods and services.

Social Studies Online - Jefferson County Public Schools

This page was scanned for broken links and updated on September 25, 2018. This page contains lesson plans for all social studies subjects except geography, history, psychology, sociology, anthropology, and archaeology. Lesson for those subjects have been moved to separate pages, but can still be accessed from the index.

Social Studies Lesson Plans and Resources

Contains the electronic versions of 80 books previously published in hard copy as part of the Country Studies Series by the Federal Research Division. Intended for a general audience, books in the series present a description and analysis of the historical setting and the social, economic, political, and national security systems and institutions of select countries throughout the world.

Solidarity is unity (as of a group or class) that produces or is based on unities of interests, objectives, standards, and sympathies. It refers to the ties in a society that bind people together as one. The term is generally employed in sociology and the other social sciences as well as in philosophy or in Catholic social teaching. In addition, solidarity is a core concept in Christian ...
