Social justice is a concept of fair and just relations between the individual and society. This is measured by the explicit and tacit terms for the distribution of wealth, opportunities for personal activity, and social privileges. In Western as well as in older Asian cultures, the concept of social justice has often referred to the process of ensuring that individuals fulfill their societal ...

Personal, Social, and Health Education (PSHE) has in various forms been part of the National Curriculum for schools in UK since 2000. Some aspects, but not all, have been compulsory. PSHE education is defined by the schools inspectorate Ofsted as a planned programme to help children and young people develop fully as individuals and as members of families and social and economic communities.
