Pierre A. Riffard proposed this definition and quotations. A familiar spirit “(alter ego, doppelg nger, personal demon, personal totem, spirit companion) is the double, the alter-ego, of an individual. It does not look like the individual concerned. Even though it may have an independent life of its own, it remains closely linked to the individual.

Hopkins claimed he spied on the witches as they held their meeting close by his house, and heard them mention the name of a local woman.
