Several planning decisions have played an important role in the development of Ottawa and its architecture. One long standing rule that had a great effect on the downtown core, was a prohibition on buildings being taller than the 92 meter tall Peace Tower. It was instituted to prevent the Parliament Buildings from being dwarfed by more modern structures.

Risk is the possibility of losing something of value. Values (such as physical health, social status, emotional well-being, or financial wealth) can be gained or lost when taking risk resulting from a given action or inaction, foreseen or unforeseen (planned or not planned). Risk can also be defined as the intentional interaction with uncertainty. ...
